Granville  
Illinois

## General Information

**Location** — This sale will be held on Thursday, November 15, 1956, at Hopkins Stock Farm, Granville, Putnam County, Illinois. The farm is located on Route 89, one-half mile north of the intersection of Routes 71 and 89.

**Time** — The Silverspoon Avenue Shorthorn Breeders' Sale of registered breeding cattle will start promptly at 12:30 P.M., Central Standard Time. Lunch will be served at the farm.

**Transportation** — Those traveling by train should come via Rock Island Railway to Bureau or La Salle, Illinois, both located on the main line from Chicago to Des Moines, Omaha and Denver. Trains will be met at either point if advance notice is given.

**Hotels** — We recommend the Hotel Francis and the Kaskaskia Hotel in La Salle, the Starved Rock Lodge in Starved Rock State Park or the Tou-Rest Motel in Peru. All are within easy driving distance of Hopkins Stock Farm.

**Shipping** — The Sandberg Trucking Company of Granville, Illinois, will haul anywhere in the United States. They are experienced, reliable and courteous. We will be glad to cooperate in assembling cattle purchased in our sale with those purchased in other sales that will be held in Illinois, earlier in November.

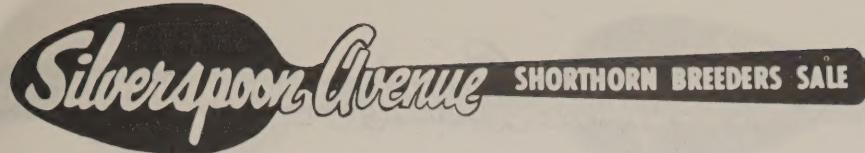

**Please Note** — We will be glad to hold purchases until the week of the International Live Stock Exposition, and deliver to Chicago.

**Phone Calls** — The telephone number at Hopkins Stock Farm is -- Granville 93341.

**Herd Manager at Hopkins Stock Farm** — Gordon Maddy.

**Sale Manager** — Hal Longley, 16 So. Locust St., Aurora, Illinois

## WE INVITE YOU

Again we are happy to extend to you a cordial invitation to attend the annual Silverspoon Avenue Sale. We believe our herds have improved since the last sale, and that this improvement is reflected in the 1956 sale offering. Most of those who acquired cattle in our former sales have reported good success with their purchases, and many have expressed the feeling that they obtained more value for their Shorthorn dollars than they could possibly find elsewhere.

We call your special attention to the strength of the pedigrees in this catalog. We do not stand still on Silverspoon Avenue. Our herds are continuously being strengthened. It is our sincere hope that you will plan your trip to allow time for an inspection of each of the herds from which cattle have been drawn for this sale.

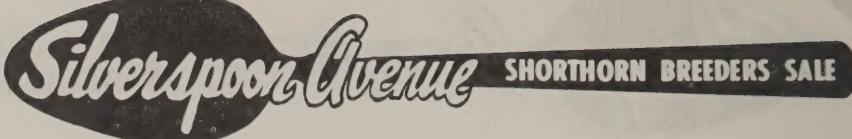

Speaking for all of the consignors -- we urge you to be our guests on November 15th. We are confident that you will feel well repaid for the effort made to get here -- and it will add greatly to our pleasure to have you with us.

JOEL W. HOPKINS

A group of Shorthorn matrons at Hopkins Stock Farm

Granville  
Illinois

## Terms and Conditions

**TERMS** — The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off but the management will assist in loading on cars or trucks in compliance with instructions from purchasers.

**GUARANTEE** — The cattle will be sold under the Standard Guarantee of the American Shorthorn Breeders' Ass'n, which is printed on one of the back pages of this catalog.

**HEALTH** — All of the breeders participating in this sale, practice calfhood vaccination for Bang's disease. Each animal will be tested for Bang's and Tuberculosis within 30 days of the date of the sale. A 60-day Tuberculin retest will be allowed. Health certificates furnished on sale day will be evidence of a clean health record and will enable the cattle to be transported properly.

**BREEDING DATES** — A good many breeding dates are printed in this catalog and we believe them to be correct as of the time of printing. However, breeding dates do change and we want it expressly understood that announcements from the auction block on sale day will take precedence over printed matter in this catalog. A liberal number of the younger heifers are selling open.

**LIABILITY** — The above guarantee, terms and conditions, shall constitute a contract between the consignor and buyer of each lot. The sale manager was retained for the specific tasks of gathering the sale offering, handling the publicity, preparing the catalog and dispersing the receipts. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

The manager of this sale, and the consignors, will not be responsible for any accidents that may occur to those who attend this sale, but will make every effort to provide for the safety and comfort of guests.

Where footnotes appear in this catalog, they were furnished by the owners.

**INQUIRIES ABOUT CATTLE LISTED** — The sale manager will gladly answer, to the best of his ability, any questions which may arise in the minds of prospective buyers concerning the breeding and quality of any animals listed in the catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 So. Locust St., Aurora, Ill.

**MAIL ORDERS** — Those unable to be present, and who wish to do so, may send buying orders to any of the following reliable men, all of whom will be in attendance: Hal Longley, The Shorthorn World, Aurora, Ill.; Don Longley, The Shorthorn World, Aurora, Ill.; Allan C. Atlasson, American Shorthorn Breeders' Ass'n, Union Stockyards, Chicago 9, Ill.; LeRoy Van Dyke, The Drovers Journal, Chicago, Ill.; Archie Stone, Wallace's Farmer, Des Moines, Iowa.

**AUCTIONEER** — H. P. Miller, Danvers, Illinois.

**SALE MANAGER** — Hal Longley, 16 So. Locust St., Aurora, Illinois.

## THE PERFORMANCE-TESTING PROGRAM AT HOPKINS STOCK FARM

Because we believe there is more to producing top cattle for profit than readily meets the eye, we have been doing some weighing for the past year. The results have been helpful to us and we are passing them on in the hope they will also be helpful to you.

Since our calves are coming at all times of the year, we weigh three times each year in order to keep them weighed within the required age limits for weaning. On October 1st all Junior calves (January 1st to April 30th) are weighed and weights adjusted to 215 days. "Adjusted weight" means taking everything into consideration to give each calf a fair, comparable weight. Variations are allowed for sex of the calf, age at weaning, and the age of the dam. The actual weights recorded at this time are the "on test" weights used for our feed lot gain test.

One hundred twenty days later, February 1st, these calves are weighed again to conclude their feed lot test. On this same date the calves that were dropped from May 1st to August 30th are weighed in for their weaning weight and the beginning of their feed lot test, which is concluded June 1st. At this time the Senior calves (September 1st to December 31st) are weighed in and started on test, this concluding test to be October 1st.

Our plan and method for performance-testing was worked out in cooperation with the University of Illinois. The weighing schedule followed is the one we believe most suitable for producers of purebred cattle. All weighing-in is done by County Extension Director, Howard Tolley. Weights are analyzed and adjusted by the University of Illinois College of Agriculture. The calves are graded by a committee of three stockmen.

Performance-testing to us not only means greater weight for age, but a constant check on the production of our cows, their milking ability, their prolificacy, and their ability to produce the right type. We endeavor to produce these fast-gaining calves without excessive fat, thus developing the much desired red meat type. Shorthorn bulls of the right type, that are proved to be fast-gaining bulls will produce calves of the right conformation with a 215-day weight of 550 to 600 pounds. This we think is difficult for other breeds to match, and will further substantiate the famous Shorthorn slogan "Best in Every Weigh." We do not hesitate to steer a fast-gaining bull if he does not grade Choice or Fancy.

We are proud of the performance-testing records of bulls being offered, which are noted in footnotes.

SHORTHORN BREEDERS SALE

Granville  
Illinois

MY LUCKY BONSPIEL, senior and reserve grand champion bull at the 1954 International, and reserve junior champion at the 1953 International, poses with, left to right, owner, Joel Hopkins, Wanda Maddy Snyder, Wooster, Ohio; judge Lord Lovat, Jess Andrew, late president of the International, and Gordon Maddy, herdsman and foreman. MV Lucky Bonspiel is a son of Marellbar Umpire. His get and service will be a feature of this sale.

### CALROSSIE ROSEWOOD FORTRESS

Another of the great stock bulls at Hopkins Stock Farm. He was purchased by W. H. Kilcawley at the Perth Sale in Scotland for \$9,900, and was acquired by Hopkins through the purchase of the entire Red Gate Herd owned by Mr. Kilcawley. He placed first in class and was the reserve senior champion at the Perth Show in 1950. He is a son of Calrossie Cupbearer out of a dam by Glastullich Fortress.

BRIDEGROOM 2d. In service at Hopkins Stock Farm. His first bull calf, Argen Bridegroom, weighed 1000 lbs. at 12 months, and was sold soon after to Casa Cigaria Ltd., Cali, Columbia, South America. His first heifer calf, HSF Rosewood 8th, was first in class at the Illinois State Sale of 1955 and sold to Bilmar Farms, Grand Blanc, Michigan. There is a generous consignment of his progeny in this sale and they are top quality rugged cattle, with a lot of scale. All of them have been rapid gainers. He is a son of Imp. Saltonbridge.

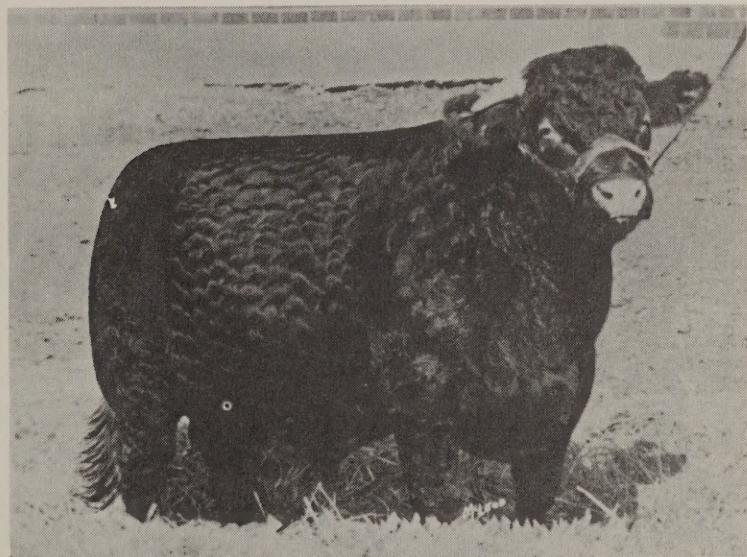

Thursday  
Nov. 15, 1956

*Silverspoon Avenue* SHORTHORN BREEDERS SALE Granville Illinois

**ARGEN SOUVENIR**  
In service at Hopkins Stock Farm. This grand, dark red bull was reserve senior champion of the 1955 Illinois State Fair. He is a son of Britomac Edwin, dam by Imp. Burnton Victory, grandam by Cruggleton Adjuster. A very good son of this bull is selling as Lot 6 in this sale.

**PRIAM DIAMOND**  
In service in the herd of Philip E. Edgerley, Granville, Illinois. He is a son of Lawton Priam by Kinellar Bugler, and his dam was by Calrossie Superior. He is the sire of eight very choice heifers in this sale.

**BRAEMAR PRESIDENT 9th**  
Heads the herd of Prescott Down & Sons, Wyoming, Ill. He is a son of Tolquhon President by Pittodrie Banker, and his dam is a daughter of Millhills Starry Archer. He won grand championship at the Nebraska State Fair, and stood third in the strong junior yearling class at the 1953 International. One bull and six heifers in this sale are by him — and they are very good.

SHORTHORN BREEDERS SALE

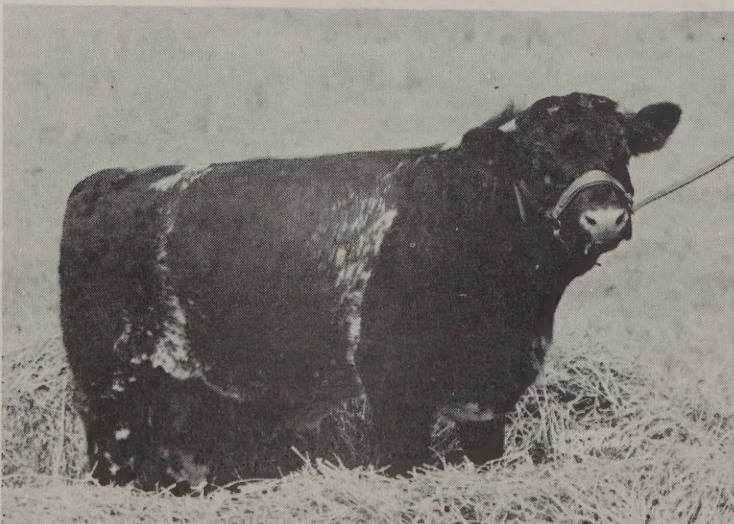

Granville  
Illinois

**W L BANK STANDARD** 20th Junior herd bull in the herd of Prescott Down & Sons. He headed his class at Denver in 1955, and was made reserve champion at San Antonio the same year. At the 1956 Illinois State Fair, he won first prize and the reserve senior championship. He is a son of Champion Prince by the International grand champion N-Bar Prince.

**ALDIE KINSMAN**  
An imported son of Calrossie Adonis that heads the herd of W. K. Barry & Sons, Bradford, Illinois. Sired by a son of Kirkton Baronet and out of a daughter of Chapelton Baronet, he combines the most prepotent blood of Scotland. One bull and one heifer in this sale are by him, and two heifers carry his service.

**LOUADA SENSATION**  
A great, young, junior herd bull recently purchased by W. K. Barry & Sons from Louada Farms. He is a son of the noted Calrossie Armada, his dam is by Millhills Champion, and his grandam by Kirkton Baronet. Several choice heifers are being offered in this sale with a breeding privilege to him.

## We Believe in Shorthorns

We believe the Shorthorn cow is the supreme matron of the beef industry. We would call the Shorthorn bull "The King of Beef." Each rate of gain test that is conducted on Crossbreds shows a Shorthorn cross in the winning lot. There is correlation between rapid gains, dressing percentage and grade.

What then is the future for Shorthorns? Production testing is coming fast — and — *Shorthorns will stand the test.* They can lead the field.

We do not discount showing records or good breeding. These are important and good evidence of this is the large attendance at the ring-side of our major shows this summer.

We have shown cattle for the last six years at the major shows in Illinois with considerable success and we have been fortunate in our selections of breeding stock. We have had some disappointments and made some mistakes, but we have tried to take these in stride and continue to push forward.

Our faith in Shorthorns has given us courage to expand our breeding program and to make every effort to supply better seed stock for our customers.

We hope you will be with us November 15th. It could be your "Lucky" day!

A group of young cows in pasture with Imp. Aldie Kinsman, on the farm of W. K. Barry & Sons. The cow at the far left is the dam of a bull we are selling in the 1956 International sale.

SHORTHORN BREEDERS SALE

Granville  
Illinois

**WHO WILL BE THE FORTUNATE, NEW OWNER OF THIS GREAT,  
YOUNG BULL? . . .**

**SILVERSCOON AUTOCRAT** – The Bull of the Future – Do you want gain plus conformation? Of course, you do. That's what everyone wants and that is why we call this bull "**The Bull of the Future.**" In 1955, as a junior bull calf, he was second at Illinois State Fair, and third at the Iowa National Show. His adjusted, 215-day weaning weight was 766 lbs. (See page 5). We have never heard of a higher weaning weight at 215 days. His rate of gain was 1.91 on the feed lot test which was interrupted by a trip on the show circuit. He is the first son of MV Lucky Bonspiel to be offered at auction, and he is right in every way.

Study him carefully. Note the tremendous depth and width, the wonderful fleshing of good, red meat. We would like to show him at the International, with the buyer's permission.

These three, sweet heifers from the Hopkins herd were sold in a former sale to Dr. Merritt Keene, Hinckley, Illinois, Countryman Stock Farm, Rochelle, Illinois, and Carl D. McKenzie, Armington, Illinois.

**ARGEN SOUVENIR MAX --** Argen Souvenir is proving his true worth as a sire. This calf is rugged, well-balanced, with a grand head. His dam, Marilyn Augusta, has produced some of our top show cattle including HSF Augusta 7th, champion of the 1953 Princeton sale that went on to top placings in major shows in 1953 and 1954. His adjusted 215 day weight was 514 lbs. Rate of gain will be announced sale day.

Lot 7 Bull

FEN-MARR TORNADO -- A son of Levedale Counsel, out of a beautiful imported cow by the 4200 guineas Beaufort Broadstairs. This bull won first prize at the strong district fair at Henry, Illinois.

On the following pages you will find the pedigrees of thirty-eight beautifully bred females that are to be sold in this sale. Those who have purchased females in previous Silverspoon Avenue Sales are loud in their praise of their quality, good-doing ability, and are quick to admit that they obtained a lot for their money.

The females in the 1956 sale are better than ever. Note that all are sired by stock bulls that are making breed history, and that many of them are in calf to famous sires.

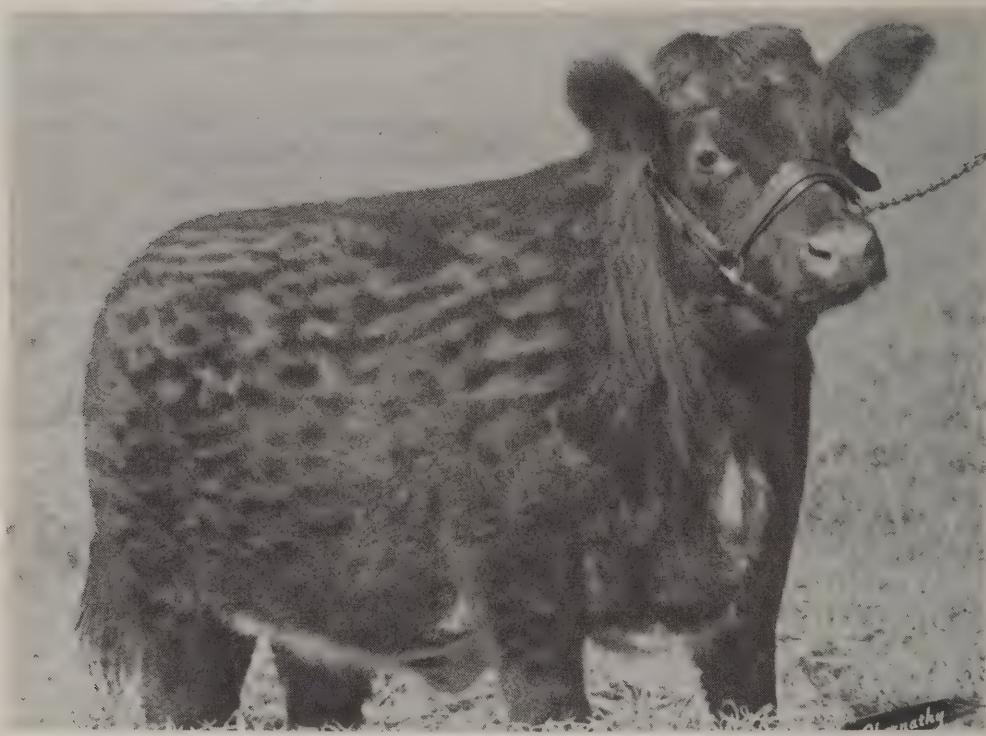

THERE NEVER WAS A BETTER TIME TO BUY SHORTHORN FEMALES -- and this sale is certainly filled to the brim with the richly bred kind.

HSF ROTHES QUEEN -- The first daughter of M V Lucky Bonspiel to be offered at auction and she is indeed a credit to him and to the breed. Her dam is by Camson Better News the top bull in the Femco Dispersion at \$7600, her grandam by Prince Royal. Both of these bulls sired many top cattle in the Femco herd. This heifer is exceptionally well balanced with a very broody head. She will be a credit to any herd. Her dam is #55. We do not believe we have ever offered a better heifer and we would like to reserve the right to show her at the 1956 International.

Tolquhon Lady Eliza 2d (253778)  
Dk. Rn., John L. Sleigh

HSF ELIZA -- This young lady is offered for the benefit of boys who want to start a heifer project. Note that she has a double infusion of the great Kirkton Baronet through two of his greatest sons, Calrossie Dazzler and Calrossie Cupbearer. She is bred right and should develop into a great brood cow. Don't miss seeing her dam, #84 in our herd. She is truly a great cow.

We had planned to retain this beautiful daughter of Braemor President 9th for replacement in our herd, but have decided to offer her as an attraction. Most certainly she is of the right type. Her half sister, out of the same dam, also sells in this sale. She will be bred before sale time to our junior herd sire, W L Bank Standard 20th, reserve senior champion at the 1956 Illinois State Fair.

## ABOUT SILVERSPOON AVENUE

Many ask — *Where did that name come from?* No one seems to have a sure answer. An early post road, along which the elite of the community lived and guided its destiny since the 1830's, it has been widely known as Silverspoon Avenue for well over a century. William Hopkins and his family settled here in 1835 and the present Edgerley, Whitaker and Hopkins families are his descendants.

For quite some years now Shorthorns have found comfortable quarters along Silverspoon Avenue. The breeders here have always liked good cattle, have felt there is no beef breed superior to Shorthorns, have striven toward the most modern and popular types in their herds, and have handled them always as side-lines to their diversified farming and feeding operations.

They have not shown their cattle extensively, but a few years back when the Whitaker Brothers brought out a show string — and in the last four or five years when the Hopkins herd appeared on the tanbark — the Silverspoon Avenue cattle edged very acceptably near the tops, surprising even a few veterans of the ring. Proving, only, that cattle here have "kept pace," that here are to be found a proven, right kind, and that the Avenue (or Alley, as Les Mathers enjoys calling it) may well be the smart place to come when looking for good ones that are bargains.

## **Standard Guarantee OF AMERICAN SHORTHORN BREEDERS ASSOCIATION**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
6. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

## Looking for Club Calves?

We are always anxious to cooperate with the activities of the La Salle County Shorthorn Breeders' Association. This live-wire organization will hold a sale of club steers on November 10th at the 4-H Club Grounds at Ottawa, Illinois. Better be there if you are looking for winning calves.
